

SEQUENCE REVIEW GAME: Print on Colored Cardstock that Matches the Memory Review Cards. (Print on White for Timeline) Laminate, if desired. Lay out all cards (7 different colored sets) in random order in a grid. Give each child a pile of coins (one all pennies, one nickels, etc.) The child selects a card (blue 11 would be week 11 English Grammar) and is expected to answer completely. If correct, they get to mark the square with their coin. First to get six in a row wins!
